

Allen Sircy

AMERICAN HAUNTSTORIAN

Allen Sircy is an accomplished author, screenwriter, historian, and paranormal researcher who has written over 40 books exploring American history, folklore, ghost stories, cryptids, and grave robbing. With a relentless curiosity and a storyteller's heart, he has carved out a unique niche by linking historic events and figures to present-day hauntings. A sought-after lecturer, Allen shares his deep knowledge across the United States, captivating audiences with tales that blur the line between fact and folklore.
